## Recital Dropoff/Pickup

- Arrival Time – 30 minutes before show time
- Dressing Rooms have signs with class names and costumes to locate your dancer's room
- Once dancers are dressed, parents can enjoy the show from the audience and return to the dressing room after the completion of the finale
- **NEW THIS YEAR: Guardians must show photo ID at dropoff and pickup of dancer.** If ID differs from the guardian listed in your RDC account, email Blair by May 17th
- **NEW THIS YEAR: Dancers may be picked up at Intermission or after Finale.** NO PICKUP will be permitted during the show. This is not only a safety concern for ALL dancers, but is disruptive for the audience, and takes vital chaperones away from their job of getting students on and off stage successfully and safely

## Recital Process

- Jamboree Show average run time – 1.5 hours  
Full Show average run time – 2.5 hours
- RDC has all 2018 instructors helping dancers on and off stage and dressing rooms are chaperoned with RDC Alumni and Faculty
- Dancers can arrive in full hair and makeup and change into their costumes in the dressing room
- No men allowed in the dressing rooms or backstage at any time
- During the show dancers play games, color, eat snacks (Goldfish provided) and have a blast! The chaperones bring the dancers to the restroom, change shoes, etc.
- All classes take the stage for the Finale. After pickup, families are welcome to congregate outside for family photos and celebrate!
